# Overview

## WHO WE ARE

We are a one-stop-shop when it comes to providing rehabilitative legal services in the State of California.

## WHAT WE DO

Whether you need to expunge your criminal record, reduce your felony to a misdemeanor, seek early relief from probation, reinstate your previously revoked professional license, or perhaps all of the above, we can help!

# Service Offering

## RECORD EXPUNGEMENT

Expungement allows you to petition the court to withdraw a guilty plea or verdict. Once granted, most private employers and landlords will not be able to hold your past conviction against you.

## CERTIFICATE OF REHABILITATION

This court-issued document states you've been rehabilitated. It's often the first step in obtaining a Governor's Pardon and is essential for those with more serious offenses.

## ARREST RECORD SEALING

This seals the records of arrests that didn't result in convictions. Employers and the public will no longer be able to view these records.

## EARLY PROBATION TERMINATION

Allows you to end your probation early so you can pursue other forms of post conviction relief like expungement or simply move on without supervision.
